OUR OVERVIEW

RM INDUSTRIES is all determined to deliver quality product and no compromise is ever accepted in this philosophy. We have developed stainless steel fasteners for wall hung lavatory, washbasin and cast iron brackets. The design, material, machining process, other process, stage & final inspection, packaging & dispatch of the material all done under expert supervision of our highly qualified team.

We believe in leading from the front and hence we are progressing towards developing world class products and keep on beating our own mile stones every time and let others to follow our footprints.....
